

10th International Symposium on  
**NEUROPROTECTION**  
**NEUROREPAIR** | 2018

October 9 – 11, 2018 | Dresden (Radebeul), Germany

10th International Symposium on  
**NEUROPROTECTION  
NEUROREPAIR | 2018**

**CONFERENCE COORDINATOR**

Johannes Boltze, MD, PhD  
Fraunhofer Research Institution for Marine  
Biotechnology and Cell Technology (EMB)  
Mönkhofer Weg 239a, D-23562 Lübeck

**CONFERENCE OFFICE**

event lab. GmbH  
Dufourstr. 15, D-04107 Leipzig  
e-Mail: [swolf@eventlab.org](mailto:swolf@eventlab.org)  
phone: +49 341 24 05 96-79  
fax: +49 341 24 05 96-51

**TOPICS**

**Areas**

- Stroke and brain hemorrhage
- Alzheimer's disease and vascular dementia
- Systems neuroscience

**Therapeutic and translational research**

- Recanalization and neuroprotectants
- Cellular therapies and biomaterials
- Ischemic pre- and postconditioning
- Neurorehabilitation
- Brain imaging
- Advances in neuroimmunology

**Fundamental research**

- Neuroinflammation
- Glial and endothelial cells
- Sex differences
- Nutrition and obesity
- The role of the microbiom
- Functional recover and functional compensation
- Neurophysiology in health and disease

**... and many more!**
