

Conference funding of the CMBB

The CMBB can support conferences organized by its members in Marburg or Giessen. Please submit the following documents:

- an application for funding for the planned event, including additional applications for funding
- a reliable cost calculation
- the title of the event and a brief description of its content (max. 300 words)
- Details on the venue
- Information on the responsible organizers and the target audience (the event should also consider the promotion of young researchers)
- Outline of the planned programme

Please send your informal application to: info@cmbb-fcmh.de.

The CMBB Board will decide on funding at its meetings. In urgent cases a decision can also be made by circular letter.

There is no legal claim to funding.
